POSTAL RATE COMMISSION
OFFICE OF THE SECRETARY

Postal Rate And Fee Changes, 1997

Docket No. R97-1

**ADDITIONAL INTERROGATORY OF
ALLIANCE OF NONPROFIT MAILERS
TO USPS
(ANM/USPS-27)
December 22, 1997**

Pursuant to Order 1200, Rule 25 of the Rules of Practice, and Rule 2.E. of the Special Rules of Practice, the Alliance of Nonprofit Mailers hereby submits the following interrogatory and request for production.

ANM/USPS-27 Please provide a tabulation of the standards which were not met by Nonautomation presort letters in containers labeled "NON_OCR" that were not upgradable in the Standard (A) Mail Characteristic Study (LR-H-105) and in the Standard (A) Nonprofit Mail Characteristics Study (LR-H-195). (Note: At the technical conference on November 28, the ANM was informed that standards not met by such mail were recorded, but had not been tabulated. The ANM has since attempted to tabulate this data, but discovered it requires the utilization of the UNIX operating system which the ANM does not have reasonable access to. In

short, it is the ANM's understanding that the data sought was recorded in accordance with the questionnaires used in the Studies. All the ANM is requesting is a report that tabulates this data.)

Respectfully submitted,

Joel T. Thomas
